New AQA Science GCSE Additional Science Revision Guide By Pauline Anning, Nigel English, Niva Miles, John Scottow

Following the latest AQA GCSE Science specifications, this Revision Guide uses an accessible and concise approach to recap the essential knowledge students need to succeed. A checklist at the end of each unit clearly lists what students need to know and breaks revision down into manageable sections, while practice questions and study tips help prepare students for the exams. Mathematical skills that are needed for the exams are highlighted and supported with short, visual explanations.
