Phoenix Reborn By Rafael A. Marti

Nathan Christopher Styles, a former US Army Special Forces operative, embarks on a perilous journey that may cost him his life. Seeking safety as he bravely confronts his alleged adversaries, he must also battle personal demons in the form of paranoid-schizophrenia. Styles relies on trusted confidants as he attempts to navigate the pitfalls -- all the while unsure his trust is always well placed. He's a man who thought he had it all, suddenly finds himself alone, his world shattered. His circumstances offer scant hope of reclaiming a normal life as he fights just to stay alive. "Marti's previous works revealed his ability to expertly weave a tapestry of danger and suspense. However, Phoenix Reborn is positive proof that this author has outdone himself with his uncanny talent for storytelling. This book will have readers begging for more!" - James R. Atwood, Master Sergeant (Retired), U.S. Army Editor
