The Psychology Major-Career Options and Strategies for Success: 4th (forth edition) By R. Eric Landrum, Stephen F. Davis

Landrum/Davis provides strategies for success that will allow students to achieve their career goals, whatever they may be. The authors provide fundamental tips and advice that can be useful to all students, but especially useful for psychology majors. The approach of this book is applied-to provide students with practical, timely, up-to-date information. This text standardizes and catalogs much of the practical advice that professors often give to students-providing tips on how to do well in all classes, how to find research ideas, and how to write papers in general APA format.
