By Tyler Cook

### Vigilante (The Aluria Adventures) (Volume 2) By Tyler Cook

It's been a year since Aluria appeared as the hero of Canton. He's become a myth to many, a hero to some, and a threat to others. Among those who think he is an outlaw are those working at the Major Case Squad, who fear he will go too far and become the villain the vigilante hopes to rid the city of. This fear escalates when people are found murdered with a blade shaped like Aluria's insignia. Could this new hero really be to blame, and if not, can he clear his name and find the person who is behind everything? That will prove to be difficult when his support, Princess Tessa Warren, is fighting for her ambassadorship in Washington, D.C., and his father, now offering to tell him why he killed Jason's mother. Vigilante is the second book in The Aluria Adventures and will expose readers to secrets, lies and heartbreak.
