A Tiger's Destiny (Tiger Protectors Book 3) By Terry Bolryder

He's one beast of a bodyguard...

Kel Cunningham is the only white tiger shifter in the world. Taller, stronger, and faster than almost anyone, he's the best protection money can buy. Still, his two older brothers have found mates and Kel is ready to find a special someone of his own and settle down. And when his latest job brings him face to face with curvy Sofia, the first woman to make his tiger sit up and growl possessively, he thinks maybe she's the one. That is, if he can keep her safe and figure out why everyone in the underworld seems to be hunting her.

Sofia doesn't know what to make of the giant, model-gorgeous man hired to protect her. Kel's ice blue eyes, blond hair, and tall body stand out wherever he goes, and Sofia doesn't need to fall for a man that could get her noticed. But she soon sees that Kel is capable of handling anything that comes their way, and that beneath that muscular, sexy chest is one of the kindest hearts she has ever met. She knows she should stay distant, keep her secrets and trust no one. But Kel's warm, safe arms and searing kisses make her want to break all her rules.

Warning: Contains a shifter who holds his own in car chases, dramatic rescues, and helicopter fights, and will do absolutely anything to protect his mate. This book has heart pounding action, some strong language, sexy scenes with a dominant tiger, and secrets you won't guess until the very end!

A full romance with NO cliffhanger, A Tiger's Destiny is the third book in the Tiger Protectors series and can be read alone or in order. Also contains a bonus book Double Dragons for a limited time.
