

Collected Papers of Srinivasa Ramanujan (AMS Chelsea Publishing)

By Srinivasa Ramanujan Aiyangar, G. H. Hardy, P. V. Seshu Aiyar, B. M. Wilson

Collected Papers of Srinivasa Ramanujan (AMS Chelsea Publishing) By Srinivasa Ramanujan Aiyangar, G. H. Hardy, P. V. Seshu Aiyar, B. M. Wilson

The influence of Ramanujan on number theory is without parallel in mathematics. His papers, problems and letters have spawned a remarkable number of later results by many different mathematicians. Here, his 37 published papers, most of his first two and last letters to Hardy, the famous 58 problems submitted to the Journal of the Indian Mathematical Society, and the commentary of the original editors (Hardy, Seshu Aiyar and Wilson) are reprinted again, after having been unavailable for some time. In this, the third printing of Ramanujan's collected papers, Bruce Berndt provides an annotated guide to Ramanujan's work and to the mathematics it inspired over the last three-quarters of a century. The historical development of ideas is traced in the commentary and by citations to the copious references. The editor has done the mathematical world a tremendous service that few others would be qualified to do.

Editorial Review

Review

"[The book] is introduced by a pair of notes which are sources of wonderful information about Ramanujan in their own right, both as regards his life and his mathematics. After that it is all about his mathematics: thirty-seven articles on number theory, infinite series, integrals, and combinatorics. It is all stunning, both by virtue of the content of these articles and because of the idiosyncrasy of their author."

Michael Berg, MAA Reviews

Users Review

From reader reviews:

Joshua Bush:

Here thing why this kind of Collected Papers of Srinivasa Ramanujan (AMS Chelsea Publishing) are different and reputable to be yours. First of all studying a book is good but it depends in the content of computer which is the content is as scrumptious as food or not. Collected Papers of Srinivasa Ramanujan (AMS Chelsea Publishing) giving you information deeper including different ways, you can find any reserve out there but there is no reserve that similar with Collected Papers of Srinivasa Ramanujan (AMS Chelsea Publishing). It gives you thrill reading journey, its open up your personal eyes about the thing that will happened in the world which is maybe can be happened around you. You can bring everywhere like in recreation area, café, or even in your means home by train. When you are having difficulties in bringing the printed book maybe the form of Collected Papers of Srinivasa Ramanujan (AMS Chelsea Publishing) in e-book can be your alternate.

Gerald Stewart:

Do you one among people who can't read enjoyable if the sentence chained inside the straightway, hold on guys this aren't like that. This Collected Papers of Srinivasa Ramanujan (AMS Chelsea Publishing) book is readable simply by you who hate those perfect word style. You will find the info here are arrange for enjoyable reading through experience without leaving possibly decrease the knowledge that want to offer to you. The writer associated with Collected Papers of Srinivasa Ramanujan (AMS Chelsea Publishing) content conveys the thought easily to understand by most people. The printed and e-book are not different in the written content but it just different such as it. So , do you still thinking Collected Papers of Srinivasa Ramanujan (AMS Chelsea Publishing) is not loveable to be your top checklist reading book?

Douglas Leverette:

A lot of publication has printed but it differs from the others. You can get it by internet on social media. You can choose the most beneficial book for you, science, comedy, novel, or whatever by searching from it. It is referred to as of book Collected Papers of Srinivasa Ramanujan (AMS Chelsea Publishing). You can add your knowledge by it. Without leaving the printed book, it may add your knowledge and make anyone

happier to read. It is most essential that, you must aware about publication. It can bring you from one spot to other place.

Brenda Lee:

What is your hobby? Have you heard this question when you got learners? We believe that that concern was given by teacher to their students. Many kinds of hobby, All people has different hobby. So you know that little person like reading or as reading become their hobby. You have to know that reading is very important as well as book as to be the issue. Book is important thing to incorporate you knowledge, except your current teacher or lecturer. You find good news or update with regards to something by book. Amount types of books that can you take to be your object. One of them is this Collected Papers of Srinivasa Ramanujan (AMS Chelsea Publishing).
