Cross del Cruz is a former Compliance Enforcer with the Shifter Council. He did his duty. He enforced the Council's will around the country and even out of the country. Stress the word former, because all he wants now is to be left alone. He's been living in his cabin on Bear Canyon Mountain Range, overlooking Bear Canyon Valley and enjoying the solitude of the forest. The quiet. The simplicity. The drama free environment that doesn't involve other shifters. Not even family. Except now Mae Forester, who has dubbed him as one of her "nephews" has decided she needs his help. He can't turn Mae down, not when she gave him and his brothers a home during the worst days of their lives. He didn't expect Ariadne Fueller. Who could ever expect that curvy spitfire. She flipped his world upside down. Before meeting her, Cross never would have called his existence lonely--until he met her.

If hot sex skeeves you out, you may want to pass on this book.

If freaky, downright dirty sexy talk bothers you, yeah, for sure you gotta pass on this one.

We believe in sex--hot, dirty, delicious sex.

Yup, make it sweaty, too. It's not just sex, it's about the romance.

But good romance has sex, and we keep the doors open! Oh, and the lights on! ;)
