Governance in India By M. Laxmikanth

The second revised edition of Governance in India by Laxmikanth is focused exam-centric book for aspirants of the Civil Services and other similar competitive examinations. However, the nature of the topic and the contents will be extremely relevant and useful for those interested in understanding the evolving dynamics of the system of governance in the country. In his inimitable style which is hallmark of Laxmikanth' s books, the author clearly identifies the topics of the subject and presents them in his familiar reader friendly format. It is also worth mentioning that these topics do not overlap with his Indian Polity book
