'Every PhD student should buy a copy of How to Publish your Research before and not after they enroll for a doctoral degree. Informative, practical and insightful, Sarah Caro will become the mentor of every successful PhD student. A mine of information and practical advice, this text is the definitive nuts-and-bolts manual on how to do it.

A safe and sure guide' - *Bryan S. Turner*

'The book benefits from some mini-case studies of experienced academics' experiences. These provide a useful alternative perspective. That said, the most valuable parts of the book are those where Caro writes most clearly as a publishing industry insider'
