Are you wondering on ways in which you can effectively manipulate, persuade and deceive another person to contribute to your cause, vote for your political candidate, buy your goods or avail of your services? If the answer is yes, this

book is definitely for you! The truth is everything that you have right now, and everything that you will ever have, will come from your interactions with other people. Therefore, consciously or unconsciously, you are consistently trying to persuade, manipulate and deceive other people through your words and actions.

This book contains the most comprehensive techniques of human psychology—manipulation, persuasion and deception—in order to help you in your personal goals. The goal of this book is to provide the reader with techniques, strategies and exercises that they can readily perform. As such, the author of this book has made it possible to create a successful mind control mastery guide that provides a good working knowledge of the fundamental concepts that is highly practical, instead of being passive and abstract. Moreover, effort has been done to make this reference book as intuitive and easy to learn as possible. This book will be perfect for anyone who wants to improve his or her interactions with another person in a way that will advance his or her goals.
