By Anna Katmore

Play With Me (Grover Beach Team #1) By Anna Katmore

Ryan Hunter's parties are legend. And tonight she's going to be there. Liza Matthews has been in love with her best friend since kindergarten. They've done it all, even slept in each other's bed. But they've never kissed. Weeks away from her seventeenth birthday, Liza hopes that soon things would change between them. But when Tony Mitchell comes home after summer soccer camp, his mind is focused on someone else. And worse, that new girl is a soccer player. Fighting for her love, Liza gets carried away and makes a stupid decision: Without the least bit of talent or passion for the sport, she opts for the co-ed soccer team. The tryouts are hell, the first match ends bloody, and the morning after the selection party she wakes up in the worst place possible—in the arms of the captain of the soccer team. The hottest guy in school. Ryan Hunter.

Editorial Review

Users Review

From reader reviews:

Elizabeth Parker:

Information is provisions for those to get better life, information currently can get by anyone from everywhere. The information can be a knowledge or any news even a problem. What people must be consider when those information which is from the former life are hard to be find than now's taking seriously which one is acceptable to believe or which one typically the resource are convinced. If you have the unstable resource then you get it as your main information you will see huge disadvantage for you. All of those possibilities will not happen within you if you take Play With Me (Grover Beach Team #1) as the daily resource information.

Eric Fincher:

Would you one of the book lovers? If so, do you ever feeling doubt if you find yourself in the book store? Make an effort to pick one book that you just dont know the inside because don't ascertain book by its cover may doesn't work is difficult job because you are scared that the inside maybe not because fantastic as in the outside appear likes. Maybe you answer may be Play With Me (Grover Beach Team #1) why because the wonderful cover that make you consider in regards to the content will not disappoint anyone. The inside or content is definitely fantastic as the outside or even cover. Your reading 6th sense will directly assist you to pick up this book.

Dana Richardson:

In this period globalization it is important to someone to receive information. The information will make you to definitely understand the condition of the world. The healthiness of the world makes the information better to share. You can find a lot of references to get information example: internet, magazine, book, and soon. You can observe that now, a lot of publisher that print many kinds of book. The actual book that recommended for your requirements is Play With Me (Grover Beach Team #1) this publication consist a lot of the information from the condition of this world now. This kind of book was represented how do the world has grown up. The vocabulary styles that writer use to explain it is easy to understand. The writer made some investigation when he makes this book. Honestly, that is why this book appropriate all of you.

Dennis Bales:

As a scholar exactly feel bored in order to reading. If their teacher questioned them to go to the library or to make summary for some e-book, they are complained. Just little students that has reading's internal or real their passion. They just do what the teacher want, like asked to the library. They go to presently there but

nothing reading very seriously. Any students feel that reading through is not important, boring in addition to can't see colorful pics on there. Yeah, it is being complicated. Book is very important to suit your needs. As we know that on this time, many ways to get whatever you want. Likewise word says, many ways to reach Chinese's country. So , this Play With Me (Grover Beach Team #1) can make you experience more interested to read.
