Editorial Review

About the Author

Dr. Chase C. Rhee is a professor of International Trade at the California State University Los Angeles (CSULA) and the Pacific States University (PSU) in Los Angeles, California. Dr. Rhee also taught Import/Export at the University of California Los Angeles (UCLA) Extension School. Dr. Rhee received his bachelor's degree in international trade at the College of Commerce of Seoul National University, Seoul, Korea and his master's degree in international management at Thunderbird School of Global Management, Glendale, Arizona. He also received his Doctor of Business Administration (DBA) degree in international management at U.S. International University (name changed to Alliant International University), San Diego, California. Dr. Rhee has over 30 years experience in international trade (import/export) for a wide range of products including international banking. He has taught international trade and international marketing for over 20 years at the undergraduate and the MBA level. Dr. Rhee contributed numerous articles to Los Angeles-based Korea Times and made several presentations on the U.S-Korea Free Trade Agreement (UKFTA, also called KORUS). Dr. Rhee is a well-respected expert in international business matters due to his skill in combining academic theories and research with hands-on experience of the real world of international business.

Users Review

From reader reviews:

Gilbert Albright:

What do you with regards to book? It is not important along? Or just adding material when you really need something to explain what the one you have problem? How about your time? Or are you busy individual? If you don't have spare time to try and do others business, it is make one feel bored faster. And you have free time? What did you do? Every individual has many questions above. They have to answer that question because just their can do this. It said that about book. Book is familiar in each person. Yes, it is appropriate.
