

Rasputin and The Jews: A Reversal of History

By Delin Colón

Rasputin and The Jews: A Reversal of History By Delin Colón

This book is a well-documented account of Rasputin as a healer, equal rights activist and man of God, and why he was so vilified by the aristocracy that their vicious rumors became accepted as history. For nearly a century, Grigory Rasputin, spiritual advisor to Russia's last Tsar and Tsarina, has been unjustly maligned simply because history is written by the politically powerful and not by the common man. A wealth of evidence shows that Rasputin was discredited by a fanatically anti-Semitic Russian society, for advocating equal rights for the severely oppressed Jewish population, as well as for promoting peace in a pro-war era. Testimony by his friends and enemies, from all social strata, provides a picture of a spiritual man who hated bigotry, inequity and violence. The author is the great-great niece of Aron Simanovitch, Rasputin's Jewish secretary.

Rabbi Joshua Chasan says: "The historian John Lukas speaks of history as the remembered past. Delin Colón characterizes her book *Rasputin and the Jews as A Reversal of History*. What she attempts to do is correct the widely held view of Rasputin as an evil man who committed the worst debaucheries, substituting instead a view of Rasputin as a humanitarian, a courageous defender of Jews and other people vulnerable in pre-revolutionary Russia. She identifies the sources of the negative views of Rasputin, making a good case for the need for us to see that there are a lot of ways of remembering the past.

At a time when George Orwell's prophesy of the world of 1984 rings very true, Ms. Colón does us all a great service in showing how false stories take on the face of truth and become our understanding of the history of a certain time and place. Aside from being a good read and an important contribution to Russian and Jewish history, *Rasputin and the Jews* prompts the reader to delve into her or his own personal memories, to consider and reconsider how they were shaped, why, and even by whom?"

Editorial Review

Review

Delin Colón "bashes the popular notion of the infamous Russian mystic Grigori Rasputin as an influential anti-Semitic, power-hungry conniver in the final years of the Russian Romanov dynasty." --The Baltimore Jewish Times - Neil Rubin

"Colón has put forth the notion that Rasputin's advocacy on behalf of the country's Jews contributed to his demise." --The Jewish Literary Review - Steve Pollak

"Almost every day, I am privileged to hear from authors who call my attention to their newly-published books. But none of them claimed my attention quite as forcefully as Delin Colón, author of *Rasputin and the Jews: A Reversal of History*." --- JewishJournal.com - Jonathan Kirsch

"Mrs. Colón's dissertation is a brief but well-written exposition on a historical figure who was both maligned and misunderstood when it comes to written Jewish and Russian history." -- New York Journal of Books -- Charles Weinblatt, reviewer and author of "Jacob's Courage".

"This book becomes a short course on revolutionary Russian history and gets gold stars as an example of a well-produced self-published book." -- Diana Bremet, JTNews columnist

Users Review

From reader reviews:

Jennifer Burritt:

The book Rasputin and The Jews: A Reversal of History give you a sense of feeling enjoy for your spare time. You can utilize to make your capable far more increase.
