**Ulysses S. Grant : Memoirs and Selected Letters : Personal Memoirs of U.S. Grant / Selected Letters, 1839-1865 (Library of America)** By Ulysses S. Grant

Twenty years after Appomattox, stricken by cancer and facing financial ruin, Ulysses S. Grant wrote his *Personal Memoirs* to secure his family's future. In doing so, the Civil War's greatest general won himself a unique place in American letters. His character, intelligence, sense of purpose, and simple compassion are evident throughout this vivid and deeply moving account, which has been acclaimed by readers as diverse as Mark Twain, Matthew Arnold, Gertrude Stein, and Edmund Wilson. Annotated and complete with detailed maps, battle plans, and facsimiles reproduced from the original edition, this volume offers an unparalleled vantage on the most terrible, moving, and inexhaustibly fascinating event in American history. Included are 174 letters, many of them to his wife, Julia, which offer an intimate view of their affectionate and enduring marriage.

### Editorial Review

From Library Journal

While the complete writings of this pair of Civil Warriors would fill several shelves, the material contained in this two-volume boxed set offers a good selection of their letters and personal reminiscences. Though both of these men are certainly not the most inspirational figures of American history, as two of the paladins of the Union Army, however, Grant and Sherman offer firsthand insights into the waging of the war that cannot be found elsewhere. As historical documents, the significance of these papers is obvious, but the texts also score high points for the quality of the writing itself; Sherman's reflections were hailed by Mark Twain as "a model narrative that will last as long as the language lasts." The hub of the material, of course, focuses on the war years, but Sherman's volume also contains memoirs of his pre-Civil War life in California, and unique to this edition is the inclusion of 175 of Grant's personal letters. More than a reprint of readily available material, these volumes include the same scrupulously detailed notes on the text by recognized scholars that make the Library of America editions superior to their predecessors. This fine set belongs in most history collections. Highly recommended.

### Review

Perhaps the most revelatory autobiography of high command to exist in any language. -- *John Keegan*

Ulysses S. Grant wrote his Personal Memoirs as he was dying of throat cancer in order to secure his family's financial future. In doing so, the Civil War's greatest general, and who went on to become President of the United States, won himself a unique place in American letters. His character, sense of purpose, and simple compassion are evident through this deeply moving account, as well as in the letters to his wife, Julia, included here. Ulysses S. Grant: Memoirs and Selected Letters is published on acid free paper to insure longevity and is a wonderful addition to any academic, personal or public library collection. -- *Midwest Book Review*

From the Publisher

The Library of America is an award-winning, nonprofit program dedicated to publishing America's best and most significant writing in handsome, enduring volumes, featuring authoritative texts. Hailed as "the most important book-publishing project in the nation's history" (Newsweek), this acclaimed series is restoring America's literary heritage in "the finest-looking, longest-lasting edition ever made" (New Republic).
