Denial only lasts so long...eventually the heart wins out

What if loving him...

After recent events that had his life flashing before his eyes, Israel Storm is re-evaluating everything. His friends. His priorities. What's not going to change is the deep connection he's developed with Reggie Turner. They're comfortable with each other, partners in crime with no qualms about sharing women.

Whatever Is needs, Reggie is the one he calls. Their bond can survive anything. But maybe not the kiss Reggie plants on him out of nowhere.

Means losing him?

Despite what Is thinks, that kiss came from somewhere. An un-named current has been flowing between them for months. Reggie doesn't bat for his own team, but the more time he spends with Is, seeing past the rough façade of the man leading The Rude Boys, the more Reggie loses sight of labels and where he fits. All he knows is there's something there, something Is will never acknowledge. One kiss leads to a punch that lands Reggie in the ER, and sends Is digging through his darkest memories in search of himself.

Friendship is all that's left if they bury the truth. If they ignore the pull that makes it impossible to do anything other than fight. But denials can be exhausting and hiding isn't working, not when everyone can clearly see your heart's desire. An enemy is out to make an example of Is and his weapon of choice will leave this Rude Boy bloodied...and bodied.

Editorial Review

About the Author

A West Indian transplant, Avril now lives in Stone Mountain, GA., with a tolerant spousal equivalent. Together they raise an eccentric daughter who loves reading and school (not so much school anymore she's back to loving it). Avril's earliest memories of reading revolve around discussing the plot points of Nancy Drew and the Hardy Boys with an equally book-minded mother. Always in love with the written word, Avril finally decided to do the writing in August of '09 and never looked back. Spicy love scenes, delicious heroes, and wicked women burn up the pages of Avril's stories, but there'll always be a happy ending; Av remains a believer of love in all its forms. To date, Avril's books have hit Amazon's Top 100, Top 10, and Top 5 Bestseller's lists countless times. She's also been nominated for numerous awards, including Best Author, Best series (Brooklyn Sinners), and Favorite All-Time Author. In 2013 Avril won Evernight Publishing's Reader's Choice Award for the LGBT (Male/Male) category. Recently she took home the Golden Ankh award for best Male/Male romance for her bestselling novel, Sinner's Fall. Addicted to cake, the ID Channel and the UFC, Avril writes Gay and Erotic Romance.
